Dear Mr. Oluwasanmi,

RESIGNATION FROM POSITION OF BUSINESS MANAGER

I am writing to formally tender my resignation from my role as Business Manager at Pishonserv.com, effective April 30, 2025.

This decision was not an easy one, but after deep consideration and prayerful reflection, I have decided to fully focus on my ministry assignment as we prepare to start the ministry physically on ground. I have come to the realization that I will not be able to cope effectively with the demands from both ends — balancing the responsibilities of the role and the ministry work ahead.

I want to sincerely appreciate you for the opportunity to work with Pishonserv.com and for the trust you placed in me. It has been a great privilege being part of the vision and contributing to the growth of the platform.

If there is a need for any spiritual commitment through prayer, I will be available and willing to support in that regard.

Please let me know the necessary offboarding process or handover steps required from my end.

Thank you once again for the opportunity.

Best regards,

Arome Iduh
Business Manager
